# Green before it was cool to be green.™

Instantly reduce your carbon footprint and lower your rent with a move to SubTropolis. Since Mother Nature made our floors and ceilings, we use fewer building materials, which conserves natural resources and lowers our building costs. *Thank you, Mother Nature.*

Move to SubTropolis and enjoy these standard benefits:

- **Low lease rates** — you save 30 to 50%
- **Low utility costs** — you save 50 to 70%
- **Constant temperature and humidity levels** — protect your products and make your employees more productive
- **Maximum flexibility** — for expansion and seasonal surges
- **On-site services** — management, maintenance and 24/7 security so you can run your business, not your building
- **Sustainability** — you're more sustainable without the upfront costs
