

Hunt Midwest

CONNIE KAMPS

**Director of Real Estate Operations
Hunt Midwest Real Estate Development, Inc.**

As director of real estate operations, Connie Kamps is responsible for site management of Hunt Midwest's real estate developments which include SubTropolis, the world's largest underground business complex, a subterranean industrial park with six million square feet of leased space, and over 1,700 acres of industrial and commercial surface real estate with one business park, two commercial centers, and three retail centers. Connie's duties also include site management for the Foreign Trade Zone, tenant relations, new tenant construction coordination, lease renewals, expansions, security staff management and special events direction.

Connie has spent her entire career with Hunt Midwest Enterprises, Inc. beginning in 1982 when she joined Hunt Midwest Entertainment Inc. as a marketing representative at Worlds of Fun. In 1985, Connie joined the real estate organization in sales and public relations. She was promoted to manager of real estate properties in May 1992, and in April 1998, to director of real estate operations.

Connie is a graduate of Southwest Missouri State University, now known as Missouri State University, in Springfield with a bachelor's degree in marketing/personnel management. She is a Certified Property Manager (CPM), past president for the local chapter of the Institute of Real Estate Management (IREM), a board member of the Children's TLC, a member of CREW KC (Kansas City Commercial Real Estate Women), a volunteer service dog puppy raiser for KSDS and a member of the board of directors of the Greater Kansas City Foreign Trade Zone. She is a past member of the Kansas City Regional Association of Realtors, the Underground Developer's Association and past member and officer of the National Association of Corporate Real Estate Executives. Connie and her husband Paul reside in Kansas City, Missouri.
