- professional on-site management
- full-time maintenance crew

Kansas City Area Map

SubTropolis is conveniently located at the hub of the transcontinental and NAFTA trade corridors with easy access to I-435, I-70, I-35 and I-29. SubTropolis is just minutes from Kansas City's central business district and KCI Airport.

Cross-Section of SubTropolis

SubTropolis was created through the mining of a 270-million-year-old limestone deposit. In the mining process, limestone is removed by the room and pillar method, leaving 25-foot square pillars on 65-foot centers and 40 feet apart with 16-foot ceilings.

Hunt Midwest, a privately held company, is owned by the Lamar Hunt family. The Hunt family business is a diverse portfolio of entities involved in real estate, sports/media, energy/resources, private equity, and investments.
