

## Hunt Midwest

**JEFF REDHAGE**  
**Director**  
**Construction Management**

As director of construction management, Jeff Redhage serves as project manager on new construction projects, with a focus on build-to-suits, in the region. He also manages data center construction projects in the Hunt Midwest SubTropolis Technology Center. Jeff serves as project manager for new surface construction developments in the Hunt Midwest Business Center as well as Hunt Midwest's newest multi-family developments in Johnson County, Kansas.

Jeff has more than 19 years of construction experience, managing over \$700 million in construction projects and over 100,000 square feet of mission critical projects.

Jeff is a graduate of the University of Kansas with a BS in Civil Engineering. He and his family currently reside in Olathe, Kansas.
